Re: Applicable or relevant and appropriate requirements (ARARs) for the Jackson Drop Forge Site, Jackson, Jackson County, Michigan

Dear Mr. Masson:

The Jackson Drop Forge site was assigned to me in October 1993. I will be directing the removal operations for the United States Environmental Protection Agency (U.S. EPA) in accordance with the National Contingency Plan (40 CFR Part 300).

Please inform me of any Michigan ARARs which are pertinent to removal actions at the site. If this information is received prior to the commencement of removal activities, U.S. EPA will, to the extent practicable, incorporate MDNR's ARARs into the removal activities.

If you have any questions or comments, please contact me at 313/692-7686.

Sincerely,

/s/

Jason H. El-Zein
